

REMARKS

Interview summary

The applicant has considered the Examiner's comments in the Office Action date August 30, 2010. It appears that the undersigned misunderstood the amendment suggested by the Examiner during the recent telephone interview.

The applicant now understands that adding the phrase "after curing of the bonding adhesive" at the end of step c. in each of claims 1 and 11 would overcome the current objection. The applicant has accordingly made this amendment to claims 1 and 11.

Favourable reconsideration and allowance of this application are respectfully requested.

Executed at Toronto, Ontario, Canada, on October 18, 2010.
